We would like your input in planning for next year's event. We are considering hosting the event entirely outdoors where RV and tent camping would be available, dinner under a tent with tables and chairs provided, outdoor raffle, car crush, and all trail rides leave from same location. Shuttle service would be provided to and from The Hampton Inn (our preferred hotel) for those wishing to stay there. This would allow you to have a good time and not worry about the drive to lodging. Please mark your preference below.
